

New Member Orientation

Welcome!

Dear New ACHE of Massachusetts Member,

Thank you for joining your local chapter of ACHE! We are one of the largest chapters in the country with over 1,000 Massachusetts members. This membership packet is designed to help you learn more about our national organization and your local chapter.

ACHE of Massachusetts provides high quality education programs throughout the year, and networking events. Each spring and fall we host half-day conferences featuring nationally known keynote speakers and panelists, and we organize quarterly programs like *Breakfast with Healthcare Champions*, and evening Enhanced Panel Discussions with distinguished local executives. Our conferences offer at least 9 Face to Face education credits each year, towards Fellow certification/re-certification.

Our dynamic Early Careerist Network (ECN) provides emerging healthcare leaders with educational, professional development, and networking opportunities, and provides a great way to volunteer with chapter activities. ECN organizes a variety of events in collaboration with the chapter board and facilitates our mentorship program.

In addition to our chapter events, there are many ways to volunteer with the chapter to maximize your membership experience. Chapter committees offer an opportunity to lend your insight to various aspects of how the chapter functions and a chance to get to know other colleagues. We also offer ad hoc volunteer opportunities that are posted on our website when they become available.

We look forward to you attending our events and getting involved. Welcome to “***The Premier Association in New England for Healthcare Executives***”.

Karen Moore, FACHE
Chapter President, ACHE of Massachusetts

ACHE 2015 Overview

- **Watch the ACHE 2015 Overview Video**
- First shown at the 2015 Congress on Healthcare Leadership, this video provides an overview of the American College of Healthcare Executives' (ACHE) mission, values, programs, products and services.

American College of Healthcare Executives

The **American College of Healthcare Executives** (ACHE) is an international professional society of 40,000 healthcare executives who lead hospitals, healthcare systems and other healthcare organizations.

Chairman

Richard D. Cordova, FACHE

Chairman-Elect

Edward H. Lamb, FACHE

Immediate Past-Chairman

Christine M. Candio, RN, FACHE

President and

Chief Executive Officer

Deborah J. Bowen, FACHE

Mission

To advance our members and healthcare management excellence.

Vision Statement

To be the preeminent professional society for healthcare executives dedicated to improving health.

American College of Healthcare Executives

Core Values

As members of the American College of Healthcare Executives, we are committed to:

Integrity

We advocate and emulate high ethical conduct in all we do.

Lifelong Learning

We recognize lifelong learning is essential to our ability to innovate and continually improve ourselves, our organizations and our profession.

Leadership

We lead through example and mentoring, and recognize caring must be a cornerstone of our professional interactions.

Diversity

We advocate inclusion and embrace the differences of those with whom we work and the communities we serve.

American College of Healthcare Executives

Governance

ACHE is governed by a Board of Governors that serves the usual function of a board of directors. The Board of Governance appoints the President and Chief Executive Officer of ACHE who leads the staff organization and serves as a non-voting member of the board.

The governors and the chairman-elect are elected by the Council of Regents, most of who are directly elected by Members, Fellows, and Life Fellows.

For more detailed information on the Governance of ACHE,
see the ACHE bylaws.

American College of Healthcare Executives

Strategic Plan Goals

GOAL: Preserve and Enhance core offerings to drive continued recognition of ACHE as the preeminent organization and trusted partner for healthcare leadership growth. Appropriate investment in providing relevant offerings that deliver a high level of satisfaction and service must be a priority. By doing so, ACHE will continue to earn its status as the trusted partner for healthcare leadership growth.

GOAL: Extend and Adapt ACHE offerings and brand position to meet the needs of the emerging market in healthcare leadership. Today's healthcare leaders come from increasingly diverse settings, disciplines and backgrounds. Education programs, career services, the FACHE® credential, networking and volunteer leadership opportunities need to be extended to and adapted for the changing healthcare leader.

GOAL: Innovate and Educate to deliver meaningful new solutions to healthcare leaders and those they serve. The goals are supported by a number of objectives that further define specific accomplishments to pursue within the plan horizon. Each objective provides guidance for designing and implementing programs of work, defining areas of research and exploration and increasing customer value. For example, ACHE's plan to "convene thought leaders to identify and address trends, issues and opportunities . . ." will be an ongoing series of initiatives and investments that will position ACHE as a thought leader and result in a vibrant, informed and engaged member community.

Sponsorship: Responsible for identifying and securing corporate financial sponsorship for ACHE of Massachusetts and its activities.

Chair - Michael Turilli

Early Careerists Network: Provides emerging health care leaders with educational, professional development, and networking opportunities.

Vice Chair – Tay Bozkurt

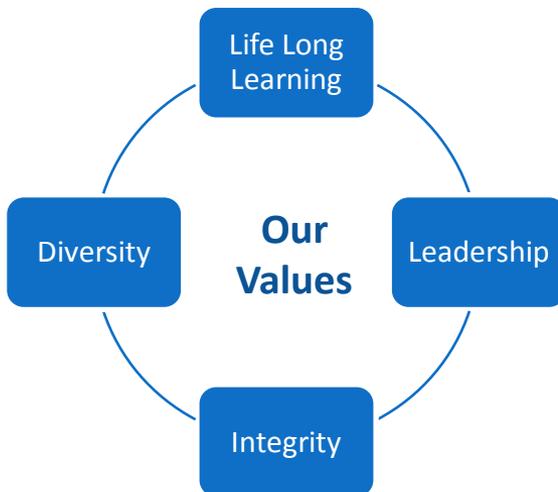

ACHE of Massachusetts Strategic Plan 2015 - 2018

Our Mission

Our mission is to provide healthcare executives in New England an opportunity for professional growth and personal development through education programs and professional collegiality and to promote continued growth of the healthcare management profession through development of scholarship and similar opportunities. ACHE of Massachusetts supports and its mission is compatible with the mission of the American College of Healthcare Executives.

As members of the American College of Healthcare Executives, we are committed to:

Our Vision

Membership Growth & Engagement

- We will better define the value of ACHE membership, attracting a diverse membership group and include activities to engage each of our constituencies.

Convener Role

- We will be a joining force among healthcare and healthcare related organizations in Massachusetts for education, networking and integration across diverse silos convening thought leaders to identify and address trends, issues and opportunities that will drive need for transformative change to improve quality, reduce costs and expand access.

Preparing for the Future

- We will be a chapter that grows and develops tomorrow's health leaders today, at the same time that we develop today's health leaders for tomorrow.

Improve Chapter Management and Governance

- The Board will adopt structures and processes to enhance engagement, accountability and transparency in promoting optimum functioning of the chapter.

ACHE of Massachusetts

How to Connect to the ACHE Community

- A. Introduce yourself to members of the Massachusetts chapter; Use the ACHE directory to search for people in your organization.
- B. Reach out to the Chapter leadership team or our state Regent and ask them about their roles.
- C. Participate in chapter educational and networking events; come early and stay late for the best networking!
- D. Volunteer to serve on a chapter committee to get involved and have your voice heard!
- E. Pursue Fellow status in the college and use your new network to find a study buddy or subject matter experts to help you study.

We look forward to meeting you!!
